Volunteer Opportunities

Volunteer Application Form

There are several ways, you can become involved in the enriching experience of serving as an International Agency for Chiropractic Evaluation (IACE) volunteer.

Members of the IACE Board of Directors, Commission on Accreditation, Pool of Experts, and Pool of Site Evaluators are all volunteers dedicated to advancing vertebral subluxation-centered education.

Whether involved in policy-making, serving on accreditation teams, training programs, or evaluating IACE standards, processes, and procedures, volunteers are the heart of IACE.

Whenever IACE positions are open, persons are selected to fill these various roles based on their expertise and willingness to serve.

Serving in any of these capacities represents an opportunity for personal and professional growth benefitting the volunteer, the many constituencies IACE serves, and especially the people served by graduates providing vertebral subluxation-centered care.

To become an IACE volunteer, please complete this form, then print and scan the completed form back to IACE.
